

Marigold Travels

2020 Tours

May 2019

Dear Friends,

Thank you so much for your interest in joining me on a creative journey of adventure and discovery with one of my tours in India, 2020. Since 2012 I have shared my love of India through my tour company, Marigold Travels.

My focus and passion for many years has been the art and tradition of hand block printing. In my Textile Tour, we have three full days of block printing workshops where you will really learn the basics of this age/old textile craft and come away with pieces that you have created yourself. Along with the workshops, we visit an eco-friendly silk screening studio, learn from the experts about the rich and varied textile traditions in different states of India, tour a hand block printing museum and much more.

Having spent many happy years in South India, I am excited to share my favorite places with you in my Joy of South India Tour. From temples carved from a single rock and a French colonial seaside town to spice and coffee plantations and two days spent with the women of Blue Mango Trust, we end this tour with an overnight boat tour of the backwaters of Kochi in Kerala.

By keeping the tour group small (6-10 guests), we have the opportunity to be flexible with our schedule and to develop a camaraderie and intimacy lacking in larger group tours. The two tours are back to back for anyone interested in doing both.

Enclosed is information about the tours as well as a Guest Information and Liability Agreement and a checklist of forms and information that I need before the end of the year. When you make your deposit, simply mail the filled out forms along with a check for \$600 and send to me at 3751 Harriet Ave S. Unit 4 Mpls, MN 55409. Alternately, call me with your credit card # (add 3% fee). Lastly, you can drop my store Marigold Way in NE Minneapolis to give me your paperwork and pay your deposit directly.
